# Zhichen Zhao

Ph.D. Student

Research Interests: Survival analysis • Causal inference • Treatment effect

## Education

Ph.D. in Mathematics with a Specialization in Statistics, University of California San Diego	2023 - now
M.A. in Statistics, Columbia University	2021-2023
B.S. in Mathematics and Applied Mathematics, Fudan University	2017-2021

## Appointments

Teaching Assistant, University of California San Diego	2023 - now
--	------------

## Publications

Ying, A., **Zhao, Z.** and Xu, R., Incremental Causal Effect for Time to Treatment Initialization. *The Thirteenth International Conference on Learning Representations, 2025.* ([Paper Link](#))

## Teaching

**Teaching Assistant**, University of California, San Diego

MATH 189 - Exploratory Data Analysis and Inference. *Spring 2025, Winter 2026*

MATH 180A - Introduction to Probability. *Fall 2024, Fall 2025*

MATH 11 - Calculus-Based Introductory Probability and Statistics. *Winter 2024, Spring 2024, Winter 2025*

## Conferences

IMS International Conference on Statistics and Data Science Conference, Seville, Spain <i>Incremental Causal Effects for Time to Treatment, talk.</i>	2025
--	------

The Thirteenth International Conference on Learning Representations, Singapore <i>Incremental Causal Effect for Time to Treatment Initialization, poster.</i>	2025
Herbert Wertheim School of Public Health and Human Longevity Science's 2025 Annual Public Health Research Day, San Diego, U.S.A. <i>Incremental Causal Effect for Time to Treatment Initialization, poster.</i>	2025

## Scholarships & Awards

### **University of California San Diego**

Graduate & Professional Student Association Travel Grant Award 2025

### **Columbia University**

Statistics Department Chair's List of Academic Achievements 2022

### **Fudan University**

Academic Excellence Scholarship 2021

Outstanding Undergraduate Scholarship 2018-2020

Admission Scholarship 2017

## Services

### **Mentor**

UCSD Math department mentorship program
